Dear Clint:

Recently, we met for pre-arbitration discussion on the above referenced grievance. The issue in this grievance is whether the 204-B restrictions identified in the MOU Re: Clerk Craft Jobs, Section 2.0 apply to the Bulk Mail Entry Units (BMEU).

As full and complete resolution of this case, the parties mutually agree to the following:

The terms regarding 204-B usage in Section 2 D) are applicable in an assignment of supervisory duties in a post office which contains a Function 4 operation and a Bulk Mail Entry Unit. The referenced terms are not applicable to a 204-B assignment in a BMEU that is in a stand-alone location.

The parties agree that any grievances pending the outcome of this case shall be resolved pursuant to the applicable agreement stated herein and any issue of remedy, where appropriate, through application of the local fact circumstances.
